

Compare ViVID to the competition

Better & Different? **You Decide.**

As an alarm event occurs, does your company view the video in real time, verify the alarm with HD video and dispatch the police PRIOR to calling the client?

viVID

Company B

Company C

Can your company store recorded video from my HD cameras **In The Cloud** without an expensive NVR?

Does your system offer the ability to view **Live and Stored** HD video on my computer or smart phone?

IS your monitoring center **Local & Five Diamond Certified** by the CSAA?

Do you offer a six-month **Unconditional Guarantee** that refunds the installation fee in full if I am dissatisfied for any reason?

Do you Promise* a **2-Hour Emergency Service** response time and provide alternate protection if you are unable to repair the system?

Do you Promise* to pay any **False Alarm Fine** that is dispatched by your monitoring center and not caused by the client?

Does your company Promise* to pay the **First \$2500** of any loss if a forced entry is not detected and the proper authority is not notified?
